

### ***VCU PRODUCT WARRANTY***

V-Blox warrants the original purchaser for 15 years, that the newly purchased V-Blox Voltage Conditioning Units (VCU) shall be free from defects in design, assembly, and material or workmanship. V-Blox will repair or replace, at its option, any defective product free of charge, including VCU units that have been damaged by lightning or a power surge during the warranty period.

### ***FIXED PFC PRODUCT WARRANTY***

V-Blox warrants the original purchaser for 15 years, that the newly purchased V-Blox Fixed Power Factor Correction Units (PFC) shall be free from defects in design, assembly, and material or workmanship. V-Blox will repair or replace, at its option, any defective product free of charge, any PFC units that mechanically fail during the warranty period, not including any damage to PFC units caused by the customer, etc.

### ***LOAD SENTRY AND AUTO TUNE PFC PRODUCT WARRANTY***

V-Blox warrants the original purchaser for 5 years, that the newly purchased V-Blox Load Sentry (LSC) or Auto Tune (ATC) Power Factor Correction Units shall be free from defects in design, assembly, and material or workmanship. V-Blox will repair or replace, at its option, any defective product free of charge, any LSC or ATC units that mechanically fail during the warranty period, not including any damage to LSC or ATC units caused by the customer, etc.

### ***SMARTCOOL™ PRODUCT WARRANTY***

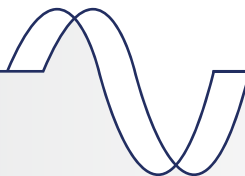

SmartCool™ warrants the original purchaser for 3 years that the newly purchased SmartCool™ units shall be free from defects in design, assembly, and material or workmanship. SmartCool™ will repair or replace, at its option, any defective product free of charge, any SmartCool™ units that mechanically fail during the warranty period, not including any damage to SmartCool™ units caused by the customer, etc.

### ***TOTAL ENERGY CONCEPTS® WARRANTY LABOR POLICY***

Total Energy Concepts® (TEC) will cover the cost of any labor associated with the replacement of Warranty Units, to the original purchaser, for a period of (12) calendar months from the date of installation. After that date, the labor costs associated with the replacement of any Warranty Units will be the sole responsibility of the customer.
